President's Message . . . Cathy Duffy

Hey Boosters . . . The Angels were looking very good, and we were hoping they would go all the way this year! But with the season over, I want to remind everyone that we have next season to cheer them on and wear your RED!

Thank you to Tim Wallach, Darrell Miller and Lois McKoon for speaking at our September 22nd General Meeting. Lois told us all about the wonderful luncheon for PCAA that Rex Hudler spoke at on September 12th at the Phoenix Club. It was a really fun time for all of us who attended.

Tim Wallach was a very interesting speaker who played for the Angels, Dodgers and Expos - and is a winner of 3 gold gloves in his career; he is also a past coach for the Quakes. Darrell Miller

was a strong player with the Angels from 1984 thru 1988, and now is the Director for the Major League Baseball Urban Youth Academy. (please see photo of Lois McKoon, Rex Hudler and myself).

Congratulations to Lorraine Payson as our winner for Booster of the Month for September, 2008. Lorraine was unable to attend the meeting, but we all know what great work she does at Gate #3 for promotions, etc.

Don't forget that the deadlines to sign-up and pay for the **Annual Dinner on November 8th**, is 10/16/08, **-and-** for the **Annual Toy Drive on December 13th**, is 11/8/08. Payments can be mailed to: Angels Booster Club, P O Box 4787, Anaheim, CA 92803. Payments must be received by the deadline dates.

For any other information on these two events, please contact me at: 000.000.0000. Our Annual Dinner, as you know is your chance to vote for your new Board Members for 2009 and to win some very interesting raffle items. Looking

forward to our Annual Elections at the Annual Dinner this year, we should have some really good candidates for replenishment of the Board of Directors. If you are unable to attend the Dinner, you are welcome to arrive between 8:00 and 8:30 pm for the General Meeting.

The Toy Drive, which is done for the benefit of PCAA (OC Probation kids at risk, which is the organization that Lois McKoon directs) will be sure to have plenty of VIP's from the Angels past to speak and meet. We will also have lots of raffle items and some items to be 'bid' on for purchase. This event should be lots of fun for everyone. Also, the Toy Drive is the time to purchase raffle tickets for small Christmas Trees decorated by your Board of Directors, last year they were really good and very different in each style.

Membership/2nd Vice President . . . Melissa Honey-Nuzzo

Hi Everyone - Well, I was hoping this newsletter would come in the midst of The Hunt for RED OCTOBER. The Angels had a great season, and we look forward to next year.

Just a few reminders. Our membership dues are going to be increased for 2009. Effective 1/1/2009 Membership fees will be \$25.00 for the first member. Second member in the same household and child under 17 will not be increased. If you renew now, before 12/31/2008, your dues will remain \$20.00. So please renew early!

Thanks to everyone who recruited new members! Hope to see everyone at the Annual Dinner in November.

Promotions . . . Susan Milslagle / Jesse Hewitt

As I write, the playoffs are set to begin in a week. I want to take this time to THANK everyone who has helped with promotions--both this season and the last 4 years. We have staffed 35 regular season events this year. (who knows how many during the play offs) We've spent cold, windy April nights and hot, sunny August afternoons working with hundreds of cases of product and mountains of cardboard. After working a few promotions, you can appreciate just what goes into "getting a free bobblehead or cap" when you visit a stadium. The spontaneous excitement and thank you's from the kids help make up for the grouchy fans. Often the report times were early and nights standing at the gates seemed long, but we made it through. I hope working promotions was a rewarding experience for you. I've made many friends over the years. You will only get out of our Booster Club what you are willing to put in to it.

It's been great knowing that I can count on so many of you to help get the job done. My 6 year term on the Board of Directors is coming to an end. Next year there will be a new Promotions Co-coordinator. Best Wishes and Go Angels.

MELISSA HONEY-NUZZO: Hi, my name is Melissa Honey-Nuzzo, and I have been a booster since 2004. My kids and I are big Angels Fans, as most of you already know. I have quietly served on the Angels Booster Club Board of Directors for the past three years doing the Newsletter and Membership among other things, and wow did those 3

years go by fast. So it's time to rerun for another term. I have a lot of great ideas for the next 3 years, so when it comes time to vote, remember to vote for me! Thank you and Go Angels!!

RICHARD OLDS: I am submitting this brief bio of my background for the position of a Booster Club Board member for your review and consideration. My interest in baseball has extended over a 30 year span of time. During that time I played on local city leagues, coached little league baseball and umpired. After retiring from my job at Boeing, I volunteered with the

Anaheim Stadium Booster Club. It is my desire to serve the Booster Club in whatever capacity I can.

RALPH RODRIGUEZ: Hi, my name is Ralph Rodriguez and I've been on the Board of Directors for two years and will be re-running. Next season there will be a lot more great stuff on the table.

AILEEN ACKERMAN: My name is Aileen Ackerman. I have been an Angels fan since the Pacific Coast League-Hollywood Stars and the Los Angeles Angels played at Wrigley and Gilmore Stadium. I took 3 buses from South Pasadena. I have worked promotions for 4 years and contribute goodies at meetings. Just thought I might give it a try on the Board. Win or lose I will continue to support the Angels and Boosters til these 81 year old bones give out.

BARBARA FROBENIUS: I would love to serve on the board. I have been an Angel fan since they came to Anaheim! I had a fantastic time with the booster club members on the trip to St. Louis. I have a lot of experience serving as a local-state-and national officer on the auxiliary to the National Postal Service. I am eager and willing to serve. Thank you for considering me to be serving the Booster Club.

MARK CONCEICAO: Hi, I'm Mark Conceicao, diehard Angel Fan for 34 years! I retired early after working for Barnes & Noble for 30 years and became a season ticket holder for 4 years. I work for the community at Fullerton Public Library and functions around the neighborhood, the Cal State Alumni Board, Special Events for the Boosters. I have the time and energy to serve the Angels!
