

President's Message . . . Cathy Duffy

Hey Boosters . . . Hope everyone enjoyed Spring Training, especially those of you who were able to go to Arizona and see some games. Our 2009 Season will soon start and we're going to be very busy cheering-on such a great team.

Our March 2nd General Meeting was very interesting. John Rozak, the Angels Marketing & Promotions Representative, spoke to us on rules and regulations for the new season. He also gave us a 'sneak-peek' at some of the promotional items we will be handing-out during the year. We've got four promotions in the first week, so be ready for it.

Also at our March 2nd Meeting, we got a chance to meet Barney Lopas, Angels Grounds Maintenance Supervisor. It was so interesting to hear what work goes into making our field at Angel Stadium so beautiful. Also, he gave us the 'inside-scoop' on what certain players, managers and visitors want our stadium staff to accomplish on the field. Such as which way the grass is cut, which way they want the grass to lay, how damp their sections of the field/infield should be, how the baselines slope, and much much more. The whole process is really a science. Thank you so much Barney for speaking to us and answering all our questions too.

New Board Member Aileen Ackermann has submitted her resignation. Aileen is a great asset to the Club and will still be participating, but after being elected in November, 2008 she has assumed more 'family' duties and feels that the club would be better with someone who can devote more time.

Mark Conceicao was the one person who ran for the Board of Directors in November, but did not get elected. He has kindly accepted our appointment to the Board of Directors beginning with the March 2nd meeting and continuing on thru the 3 year position on the Board. Welcome Mark!

Saturday, March 7th was the Angel's first single seat sales day. Hundreds of people were out and about. Thank you to Tabitha Jimenez for helping me staff the Membership Table for this event. We had lots of people who had never heard of our club and lots who will hopefully be coming to an upcoming meeting to find-out what we're all about.

Everyone break the red out of your closet and get ready for April. I think this is going to be a big year for the Angels and the Angels Booster Club. Invite your friends to our meetings, spread the word. We've already had some great raffles, good food sold, and we'll have lots more events coming-up this year.

Our next meeting will be Monday, March 30th (this will be our April meeting) hope to see all of you there.

Fun On The Field . . . Jackie Jones

It was fun on the field for one of our very own Angel boosters during Spring Training. Casey Jones was asked to be ball girl at the February 26th game. The ball game was in Tempe Arizona.

Casey had always wanted to run on the field, and on February 26th, she got her chance.

Casey said she really had a great time just listening to the players talking in the dugout and making fun of each other.

She said It was an experience she will always remember.

Season Ticket Raffle . . . Jackie Jones

Hello Boosters, Casey and I just got back from spring training in Tempe Arizona. We had a great time! The weather was great for watching the Angels play ball.

I worked hard to get a variety of items autographed for the raffle table.

To list a few, a team signed bat, base & ball. A catchers mask signed by Mike Napoli, bats signed by, Hunter, Salmon, Abreu, Matthews and many more.

I also managed to get a dozen baseballs signed. Even though I had fun, I worked hard.

So don't forget to bring your small bills to the raffle table and support the club. Thanks for all your support.
